The Best HOT DRINKS in To

HOT CHOCOLATE

3 Solid Grounds

Solid Grounds serves a tasty hot chocolate that can be enjoyed by all. The flavor is delicious, however it comes way too hot and you have to wait to experience the chocolate delight. It also comes without whipped cream, which would make the flavor better.

2 iVibe

This is second on the list because of its rich chocolate flavor and perfect heat. Not too hot, not too cold, and just right to drink, this hot chocolate is one to remember next time you go to iVibe.

1 Enchanted Grounds

Once I received my drink, I could drink it right away - the heat was perfect. The chocolate flavor stayed in my mouth for longer than just the moment I sipped, and was enhanced by the topping of whipped cream and some chocolate sauce. This hot chocolate was by far the best.

PEPPERMINT MOCHA

3 McDonald's

I did not like this one as much as the others, but it had to be in my top three because of its price. This peppermint mocha was a few dollars cheaper than any other place I went. Even though it was lacking a little in taste, the price definitely made up for that.

2 iVibe

I liked this peppermint mocha because it had the right ratio of peppermint to coffee taste. The reason that it's not first is because it was extremely hot and I would have liked a stronger flavor of both peppermint and mocha.

1 Starbucks

This peppermint mocha had the most peppermint flavor out of all of the places I went. I also liked that the mocha flavor wasn't too overpowering. It was the perfect temperature to keep it warm for a while but not burn my tongue.

APPLE CIDER

3 Starbucks

Starbucks has a pretty good apple taste bu temperature was also a little too hot and r it was drinkable. The only plus of that was longer than some others. The only strong hot apple juice and more spiced.

2 Enchanted Grounds

Enchanted grounds is ranked as the second taste that lingered in my mouth but it had too quickly.

1 Solid Grounds

Solid Grounds has the best apple cider bec fresh. With both the taste of sweet and sou flavor, this drink is definitely one to try. Th and whipped cream is optional but recom increases the flavor intensely.

5 Questions we always ask...

Getting to know administrator

Chris Enzminger

What is your favorite fast food chain restaurant?

I would say Culvers because I used to live in Illinois and they had a Culvers where my dad lived when I would go out to visit him and it just reminds me of being back home and they are starting to come out here; they are building one down the street actually.

Favorite boy band and why?

Maroon 5. I just like their music. I like Adam Levine.

What words of wisdom do you always keep in mind?

To learn from your mistakes, and a little quote my wife shared with our family and especially our kids is, it's never too late to start your day over so if things aren't going the way you want it to, you just got to change your mindset and try again.

What's your earliest childhood memory?

My earliest childhood memory? That's a good question, I don't know, I guess reading a book at my grandparents' house.

Which is the best Disney musical movie and why?

The one that comes to mind is "The Little Mermaid" only because I just happened to watch it on vacation with a bunch of friends at my friend's aunt's house with their little kids and it was just not a movie we would normally watch together but it was something that happened during that vacation that made it remarkable.
