A kick in the pants

FFA hosts donkey basketball and dominates

Teacher Mr. Richard and junior Alex Higbee go for the ball in the second part of the teachers versus FFA students game. Higbee has ridden a donkey for the game twice before this, and said he chooses to do it because it is fun. The game has been going on for eight years.

Juniors Kari Mosier, and Alex Higbee almost collide while riding their donkeys. The FFA team won this year, going up against teachers and members from the 'Lopes.

FFA adviser Andrew Williams arm wrestles Bart Gruenloh to decide the winner for the 2019 Donkey Basketball Game.

Mr. Richard takes Ember Nidey for a ride on his donkey during halftime.
