

# Girls swim and dive breaks school records at state

Kyle Lynch, *Staff Reporter*

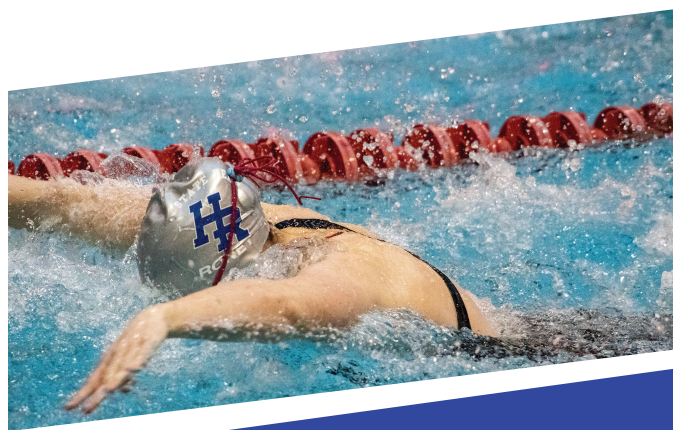

**A**t state, girls swim and dive ended up breaking a total of four school records in the 50 free, 100 free, 400 free relay, and the 500 free. Carmen Nollsch, junior, said, "I love swimming at Ranch because of the environment of the team. Everyone gets along so well, it's like a family. Some of my closest friendships have come from this team, as well as some of my best memories."

Kyri Chambo, senior, completes a back flip 1.5 twist at state, and ended up placing fourth. Although she used two dives she felt comfortable with, they did not score as well as she'd liked them to have. "I was frustrated with my performance because I've scored better, but I'm happy that I placed fourth my senior year because it could've been a lot worse."

Aimee Burton, senior, swam on the 400 free relay team, and said, "I was ecstatic and I felt a great sense of achievement when I got those records. I had been working the whole season, so it was satisfying to know that all my hard work had paid off."

Part of the 400 free relay team, Dani Roney, senior, said, "When I first saw the board I was ecstatic. I was so happy that after being on the team for four years, that I finally got the record I was going for since freshman year."
