

Swimmers dive in to begin their 400 meter relay, including Aimee Burton, who also broke multiple records in 50 free and 100 free.

Mari Tobo is only a sophomore at HR, but has already been at state twice. This year, she swam the 200 IM, 100 free, and was part of the 200 free relay team.

Carmen Nollsch, junior, is part of the 400 relay team. She said, "I loved being on that relay team. Those girls and I all pushed each other to be our best, and in the end, it really paid off. Keeping a positive attitude between the four of us was key, but that was easy with such incredible girls."
