

CHEYENNE

Grace Samuleson

BATTLEFIELD

The boy's basketball team had an emotional season – charging, dunking and playing thier best in games against Bear Creek and Air Academy earlier in January, in honor of thier lost teammate and fellow student and friend Kendall Robinson.

Cheyenne couldn't afford to lose these important games . So students and players held their breathes in anticipation. Cheyenne students showed their school spirit and pride decked out in yellow and drizzled their arms for good luck. Basketball players Jack Lewis (#24), Nicholas Bassett (#30), Javonte Johnson (#14) and the rest of the team played with passion. The team even set an honorary chair for Kendall, his spirit among them.
