

## Bald for Bucks Promo Voiceover-

As this is the 12th year of Bald for Bucks, it is important to reflect and remember how this fundraiser started, years ago.

Over the years, Bald for Bucks has grown increasingly meaningful to both the students and staff here at Rampart.

Countless others have similar stories. Helping people going through this battle is what Bald for Bucks is all about.

We need *you* to donate. We need *you* to support Bald for Bucks.

By donating, you are participating in something bigger than yourself. Your actions have an impact.

In order for our impact to grow, we need you to contribute. Do your part to make this year the biggest Bald for Bucks has ever been, and to help people in need.
