

## Bald 4 Bucks Commentary

The five student broadcasters did this entire live broadcast without adult assistance. Caitlyn Davis ran the switchboard and graphics, while Ian Wilkinson, Gavin Means, Cheyenne Gonzales, and Brock Gilliland did the live commentary. The whole production was student run and directed. Caitlyn Davis also prepared all graphics material beforehand and did an awesome job of selecting live camera angles for the entire live broadcast. Caitlyn was also responsible for directing the student camera crew over the headset system.
