

PHOTO FUN!

Nothing says fall like a photo shoot with your friends. The yearbook staff used a white sheet, banners, and PVC pipe to create the perfect fall backdrop. One of the yearbookers who helped make it possible was **Drew Narum '20**.

"We got the inspiration from Pinterest. I had to fit two nine feet long pipes into my tiny Ford Taurus, which was a bit of a pain," Drew explained. The happy moments with friends warmed up the chilly day.
