

Kickin' It!

PINK OUT! DHS Varsity soccer boys dedicate this game against Basalt to breast cancer survivors. They released pink balloons at the start of the game showing their love and support.

Team means a lot to all of our Panther soccer team. Playing with players from all around the county doesn't change the meaning of team in their eyes. They all agree that this team has become a family. They have played this sport that they love together since they were young.

Jarett Hernandez, Junior, explained team as "Family, because every time we play, we always play together. We always work as a team."

Many of the players have played along side each other since the recess games in elementary. They show

how they support each other whether they win or lose. In this picture to the left, the soccer boys are showing their love to each other after winning their game against James Irwin's soccer team at the playoffs. The 2018 Varsity team was able to make it through to play three playoff games, even with the loss of seniors, before losing 3 - 1 against Colorado Academy at Firman Field.

"I felt proud of the team and the effort we put in, and how far we made it," said Felipe Bedoy.

"We came together as a team. We battled, even though we lost lots of seniors last year, we still battled and made it far as we did last year." Felipe Bedoy

Left: "We have a pretty strong relationship. I've been coached by him [Shean] since freshman year for another sport but I still feel the connection with him. And especially with him being a coach with the sport I like, it just gets stronger." - Alexis Fausto

Bottom: The DHS Varsity boys perform their victory run after winning their home game 2-1 against James Irwin. Because it was one of their playoff games, this resulted in taking them to the finals.

Jarett Hernandez accomplished something great this year making the All-Conference First Team, and All-State Honorable Mention.

Fernando Santillan, Sophomore, proves that he can work as hard as the upperclassmen in Varsity by playing on both JV and Varsity.

Martin Corral, Varsity captain, was voted into the All-Conference First Team and made it into the All-State Team.
