This year is a slightly unusual one for the Pine Creek Girls Swim and Dive team, as it is an uncharacteristically young year: nearly half of its roster is composed of Freshmen, and a high abundance of sophomores help constitute the under-classmen dominated team. However, with the high amount of younger members, the team sees a strong advantage, as it helps lay a strong foundation to build off of for the team's future in Champion Leagues and State. With this strong foundation, as well as the guidance from the 5 previous state qualifiers, *Kennedy Terry, Audrey Teets, Carrie Fraser, Shaynie Segal, and Hannah Gaskill*, and the fresh outlook of their new coach *Matt Gilbert*, the future looks prosperous.

As a day of fun in the water the girls team created a couple of videos to show what it feels like under the surface. The solitude you feel when all senses are cut off by the water in a therapeutic way.

**Swim Sisters** As a program to bring the team together and inspire esprit de corps within the team, the captains of the team decided to implement the *Swim Sisters*. This program paired up underclassman with an upperclassman to allow the younger people to feel more comfortable with the team. The sisters would exchange gifts and get to know each other to bring about camaraderie.
