

SENIORS CHEER ALONG WITH THE BOYS SOCCER TEAM AS THEY ARE HONORED FOR THEIR STATE CHAMPIONSHIP. Students gathered in the gym as the team signed the plaque, which was placed on the gym wall. Photo by D. Palmer.

HEY YOU. Over there. **YOU** want to be part of this. We're **PROUD**, undeniably so. You can see the overly eager link crew leaders pull the exhilarated freshmen out of cars on the very first day. Parents hear their yells for miles. **THE CLASS OF 2022 IS READY.** Can you feel the anticipation flow through our veins as the brand new football coach, **ROD FREAKING SHERMAN**, looks up to packed stands? The culture has changed and we're moving forward. It never matters if we don't play our best, doesn't change who we are. Win or lose, **WE'RE ALWAYS OVERCOMMITTED.** We're going to seek rewards; everybody keep your heads up, let's get excited. That's the true heart of a warrior. Make sure to stay clear of the sleep deprived, caffeine charged **WILD WARRIOR WOMEN** as they stampede through the halls, their chants of "**THIS IS OUR HOUSE**" waking up the neighborhood. It took thousands of groupme messages. No matter how many times we've rehearsed the Patty Simcox monologue, we're still nervous before going on stage, but you'd better believe we are going to **NAIL THIS AUDITION.** And yeah, you're right, the AP Lang test is pretty grueling. No big deal. We've been preparing for this for months. Breathe in, breathe out. Start writing. We followed the boys soccer team all the way to Dicks Sporting Goods Park where they lived out their dreams, winning state for the **FIRST TIME IN 21 YEARS.** Hear four thousand shoes pulverize the bleachers at the winter pep assembly; make them creak while the winter sports captains all scream "**GOOOOO SENIORS**" into the microphone. The senior section goes wild. Hear the voices from all directions meld into one as the fight song fills the air and drowns out the rest of our thoughts. The freshmen start to feel at home. **NOW WATCH OUT BECAUSE...**
