

a school filled to the brim with overachievers, athletes, artists, creative minds, musicians, and so much more.

seems impossible? not for us.

we're widely recognized for our achievements in every department: state champs. national merit scholars. perfect AP scores. peak performers. best of Colorado.

but hey, we live life on the Ridge. that's our normal, **not our impossible.**

they told us we couldn't manage five AP classes. we do it anyway. ms. Troy always says 20Time projects can't be done the night before. but we make it happen. pulling into the parking lot at 7:38? always. **here, it's no big deal.**

a school that excels and pushes the boundaries in both STEM and the arts? they say those don't exist, but here we are. for others, it's impossible. **but for us, it's no big deal.**

Students **Sophia Justice (12)**, **Shannon Rymut (10)**, **Ailee Dreher (12)**, **Mary Dunston (10)**, and **Lauren Robinson (10)** throw confetti into the air at the Navy and Gold tailgate. This was the school's second year of hosting the dance and tailgate, which will continue as a tradition. "I thought it was much better than last year, I had a blast with my theater friends!" said Rymut.

impossible?

yeah, it's no big deal.
