I WAS A WITNESS

#FREE FALLING

"I looked over and this person was just coming down the stairs and in a split second they started to fall down them," Melanie Scanlon '22 said. "It was really funny but I was also kind of scared for them."

#TRIPPING UP

"I've seen someone fall down the stairs and that was pretty funny," Cole Peterson '21 said. "It happened right as the bell rang, I felt bad at first, but he started laughing too."

#FAILED FLIPS

"I was at cheer practice and we were tumbling and this girl face-planted," Ellie Teal '21 said. "It was scary at first, but then we all started laughing and it was so funny."

#MOTZ MAYHEM

"One time Mrs. [Margaret] Motz had us take a class field trip to the upper parking lot to see this kid's car," Cassidy Gonzalez '19 said. "We ended up all standing there while she drove around with him."

JUULING: UNFILTERED

TO VAPE OR NOT TO VAPE

Colorado state law prohibits anyone under 18 from possessing or purchasing E-cigarettes. Tobacco products are also prohibited on school property. Tris Veres '20 discussed his opinion on the usage of vape products in school. "I don't think it's [vaping] that bad but, when I see people doing it in the bathroom it makes me uncomfortable," Veres said. "A lot of people have become addicted and spend too much money on a bad habit."

NO VAPING NO PROBLEM

Brecken Rogers '21 states her point of view on vaping in the school. "I think that people shouldn't vape and it's not a very productive use of time. I haven't ever seen anyone vape in the bathroom, but I've heard about it happening," Rogers said.

"I LIKE THE SPIRIT HERE, WE ALL LIKE GOING TO THE BASKETBALL GAMES, AND WISH WEEK'S A LOT OF FUN, WE RAISE A LOT OF MONEY AND EVERYONE IS REALLY ENTHUSIASTIC," EMMA HAYS '21

"MY FAVORITE PART ABOUT OUR SCHOOL IS ALL THE FRIENDS WE MAKE HERE, AND BRENDA'S COOKIES OF COURSE." RORY SMITH '22

SMART STUDENTS OR CLEVER CHEATERS?

1. "I have cheated on about six essays; I didn't wanna do them so I asked my friend for them. I'm not sure how my teacher found out, but when they did, they emailed my friend, my parents, and me." **ELLIOTT HERRMANN '20**
2. "I personally have never cheated, and I think other people should learn to do their own work. I don't get why people cheat when the consequences can be so severe." **TASHA MACOU '21**
3. "Freshman year I let my friend look at my paper to help him. He ended up copying the whole thing and turning it in. When my teacher found out, she gave us both zeros on the whole thing." **MACY ROONEY '20**
4. "Cheating is not okay and you should really do your own work and study. I know because one time me and a couple of buddies got caught cheating because we had the test, Mrs. [Audry] Hunt caught us all because she's smarter than all of us." **CONNOR HILDEBRAND '20**

"ONE OF MY FAVORITE SCHOOL TRADITIONS IS EITHER WISH WEEK OR HOMECOMING WEEK BECAUSE IT REALLY BONDS EVERYONE TOGETHER AND MAKES US ALL FEEL LIKE WE'RE A PART OF SOMETHING. I ALSO LIKE ALL THE ACTIVITIES DURING THOSE WEEKS BECAUSDE I CAN GET MY FAMILY INVOLVED TOO." ZOE JESKE '19
