FASHION. It's more than a word; it's an expression of one's individuality. From designer labels to the latest fads, Pumas expressed themselves through a variety of clothing trends. In answering what's in and what's not, fashion is ever changing. Every year, there's a new "brand" name that is hot. Pumas were into everything from Brandy Melville, Champion Wear and Vans, to Converse, Lululemon, Victoria's Secret Pink, Thrasher, Nike and many more.

LUCY ROBY SHOWS OFF HER UNIQUE STYLE WITH... true COLORS

"This is my favorite outfit because it shows my real personality. When I wear my clothes people don't usually look at my face, they look at what I'm wearing to tell who I am. And I love this outfit because it's so colorful. I am unable to wear black and white; it makes me feel like I'm in a funeral, so I always have to wear color. I never wear the exact same outfit, it always changes," Lucy Roby, 06, said.

JORGE LAMORA TEACHES US HOW TO... dress like a "SKATER BOI"

"I feel like I have to look good or at least put together every day, but in a way so that I'm also comfortable. I dress in outfits that I think are comfy and cool and don't really care what other people think. I like to wear things that I think are cool because in my opinion you should wear what you want and not care about other people's opinion on your style," Jorge Lamora, 08, said. *photo by m. barylka*

a tale of two in style FASHION TRENDS

FROM ATHLETIC GEAR TO DESIGNER LABELS, PUMAS EXPRESS THEIR FASHIONABLE SIDE

WEARING A HOCKEY JERSEY, CAMERON ALTHOUSE, 08, SHOWS HIS ATHLETIC SIDE. "I would describe my fashion sense as sporty and cool. Social media such as Instagram influences me, because the people I look at look cool and I get inspiration from them. I wear what I want most of the time and don't care what other people think of me; However, sometimes I do think about what other people would like and base my outfits off of that," Althouse said. *photo by m. barylka*

WEARING GUCCI, ISAAH STEWART, 07, SHOWS OFF HIS STYLE. "I don't feel a pressure to look good. It only bothers me when people start hating. People hate I think because they're jealous that they don't have Gucci. I own two Gucci backpacks, the bandana, five shirts, three belts, and a wallet. I don't care what I look like to other people. I don't care what people say about me and just do what I want," Stewart said. *photo by d. thompson*

rockin' the CONCERT MERCH

WHERE FASHION MEETS MUSIC PAIRING CONCERT TEES WITH RIPPED JEANS

Taylor Bourque, 08, knows fashion. "I got my sweatshirt from a concert and my jeans from Hollister. I love to wear my Nike Air Force ones with this outfit. I love to wear small rings because they're cute and small, yet make a small statement. This is my favorite outfit because it is comfy, but also very stylish and I like having many different pockets for food and holding things. I wear this outfit very often; maybe about once a week," Bourque said. *photo by d. thompson*
