Homecoming Week

As another year begins, students show their spirit during Homecoming Week.

The week began with denim day on Monday where students dressed head-to-toe in denim. Tuesday was a beach day where the hallways were transformed into a tropical paradise.

Wednesday was pink day where students dressed in honor of breast cancer awareness month, followed by the ever popular frat and sorority day. Spirit week ended with the tradition of red and white day. Throughout the week students participated in Powder Puff and Power Stuff, supported Fall athletes, and attended the homecoming pep assembly as well as the homecoming parade to show their Eaton pride.
