## Unexpected events at the Eagle Scream Rally

*by S. Rodriguez and B. Wiley*

"Even though we lost I liked the team spirit, especially Falcon. When Mr. Tucker did his unexpected flip, it was surprising, unexpected, and amazing. It was mesmerizing. I was looking forward to the rally because I thought the Phoenix cheer was good but when I heard Falcons', I knew they had it,"

"I loved the Falcon cheer and Hawk dance. They were both cool and well put together. I thought Falcon winning was unexpected because Hawk wins every year,"
