Carter Burns (8) plays the French Horn, Mar. 7. He likes that they get to go different places to play their instruments. Every quarter, students in band get to participate in the concerts with the music practiced. "What I like about bands is the field trips because I get to hangout with my friends," Burns said.

## SEVIES ON THE COURT

7th grade boys basketball practice

### 1. BREAKAWAY

Austin Lucius (7) runs with the ball down court. He was very focused at practice, Mar. 7. "The coaches are very supportive and they don't yell at you if you make mistakes," Lucius said.

### 2. DRIBBLE DRIBBLE

Trevor Olsen (7) dribbles the ball between his legs. He showed his moves at practice that day, Mar 7. "I like to play with my team because they are very supportive and because it's my favorite sport to play," Olsen said.

The unified basketball team played an eventful game showing good sportsmanship, Mar. 6. The boys and girls prepared for the game by warming up. The coaches taught them communication skills to help them be successful while working together. The crowd showed support by cheering them on. The excited crowd motivated the students to do well. Mark Larson (6) tried to entertain the crowd by making faces at them to make them laugh. By bringing their skills together to create a skilled plan, the unified basketball team exited the court confidently.
