"As one of the younger ones on the team, I really got welcomed in."

Starting a Legacy

Lacrosse kicked off its inaugural season with a bang. They played their first game at the friendly confines of Recht Field at Boulder High School, just on the foothills of the beautiful Rocky Mountains. In that game, they impressed, shutting out the Panthers by a score of 13-0. They followed that up by traveling to Conifer and beating them 10-0. Their next game was the home opener against the Golden Demons, who were ranked third in the preseason poll to the Tigers fifth. Despite a slow start to the game, Erie took the lead going into halftime and laid to rest any doubts about who was the better team, outscoring Golden 7-1 over the final two quarters for a resounding 10-3 win.
