Alamosa Girls Basketball **SHOCKED** and proved a lot of people wrong during the 2018-19 season. With only four returning varsity players from last season, the Lady Moose took a slow start by beginning the season 0-1 in their first game. The team quickly bounced back and ended the season 17-7 overall, and going 8-3 in the Intermountain League, taking home the district runner-up plaque. During the season, many people were **IMPRESSED** when Alamosa Girls Basketball had, and kept, a **WINNING** record throughout the whole season. When facing off against school rival, the Centauri Falcons, three times this season the Moose ended up **VICTORIOUS** at the end of each game for the first time since 2007. Going into the playoffs Alamosa traveled to Platte Valley to compete in the regional tournament, winning both games they played and **ADVANCING** to the State tournament for the first time since 1991. Qualifying for State was something that the program lacked for so many years, and could not **ACHIEVE** for a very long time. The Lady **MOOSE** broke the 29 year curse with the help of **COACHES** Shawn Cody, Alfonso Castillo, Katelyn Smith, Emily McNamee, and Erik Melgoza. At the state tournament the Moose took on the defending class 3A State Champions, St. Mary's, who went on to win the tournament for the second consecutive year. Alamosa Girls Basketball put up a great **BATTLE** against them, but could not finish the job losing 53-38. Seniors, Sylvie Caton, Alma Martinez, and Ashley Lopez were great contributors to the team and will be missed next season.

NEVER STOP
