 Bruins show their school spirit and fill the air with blue dust at the Homecoming game

Bruins Unleashed

The Cedaredge Bruins, a force to be reckoned with, fill the school with Bruin Pride throughout the year, and the energy is contagious. This year's theme, "A Force Unleashed" echoes the mindset and the character instilled in students at Cedaredge High School. In every activity, every sport, and every classroom, Bruins approach everything with a "go, get em" attitude and reflect their school spirit.

The 2018-2019 school year made an impact and left a powerful mark on

the school. This will positively influence younger generations of Bruins. Students boldly pursue greatness. High school only happens once. Students must make the most of their experiences.

Together, students embrace greatness. When Bruins unite, they overwhelm adversity. Bruins motivate and defy gravity.

Not only do students show their pride in school, but they also impact the community. Outside of school, Bruins impact this little community with their determination and their boldness. Bruins reflect the strength and pride to break down walls and show that they bleed blue.
