# Driving is a Privilege *Jobs are a Requirement*

Everyone is always excited to get their license and ready to get out there and start driving, although, some people don't realize it's not a right, but a privilege to drive. On the other hand, jobs are responsibilities but they are also opportunities to open doors for the future.

1. After getting her license, **Hailey Sapanaro, 11**, got two jobs and said, "My jobs are pretty easy, they have improved my time management and I got my priorities straight. I like to drive because it's a lot of responsibility, but I love working at my jobs."
2. **Caleb Smith, 10**, explained, "my work is pretty easy, I have a good schedule that helps me stay organized."
