

Volleyball

Come Together - Between sets, Coach Annie Rice brings her team together to motivate them to end the night with a win. During the 2019 season, she led the Mean Moose to 24 wins and 21 losses during the regular season.

As far as volleyball players go, Junior Terese Chavez can pretty much play anywhere. She set personal goals to lead the team in kills and digs during the 2019 season and she worked hard to meet those goals. Playing at Alamosa has always been fun, but this year for Terese, "going to practice everyday and being with the team" were her favorite parts. She built stronger bonds with girls who had been on the team before and she created new friendships with underclassmen who were new to the program. When asked about the 2019 season as a whole, Terese explained that "it went well overall and even though we didn't make it as far as we hoped, everyone came together and played their hardest." She is looking forward to her senior year and playing in the 2020 season.
