

The Dust Bowl

8th Grade Football wins their Fifth championship in a dusty storm

Game-Winning

Many exciting things happened during the month of October to the very exciting football championship. During the game, the football team gained another final win for the team as a 5 time winning school in the district championship. "Part of the reason why I loved that game was because I got to work together with my team, that I got to know throughout the season. What I liked best was working with them," said Barret Watkins. Throughout the season the team learned communicating skills and becoming better at a whole on the field. This team has held onto the legacy as the teams before them and as the years go by we hope the legacy continues.
