

# TEAM Palominos

“LIKE THE TEACHERS TEACHING STYLE AND THAT TEAM PALOMINO INDIVIDUALS AND MAKE SURE THEY KNOW THE CONTENT.”  
-OLIVIA CHRISTIAN (8)”

Scientist, **Alexa Phillips (8)**, sits in a class. She prepares for an experiment. "The way we have a lot of freedom and the teachers trust us to do our work, we also get lots of time to prepare for tests." Phillips said. Photo by Benji Rochler

1) **Supreme Student Scholar, Paige Frampton (8)**, works on her vocabulary Mar. 8. "Palomino is my favorite of all the jobs I've been in. It's unique, and all the teachers are very supportive of you." Frampton said. Photo by Benji Rochler

2) **Computer Command'er Steven, Zane Keates (8)**, finishes his broadcast script Mar. 9 for social studies. "The teachers are really nice and we have fun, but we still get a lot of work done." Keates said. Photo by Benji Rochler

3) **Refined Researcher Academic, Kent Zeller (8)**, works on his language arts project Mar. 8. "The teachers are very good at interacting with students, and they try to get every single student involved in class work." Zeller said. Photo by Kaitlan Larson

"Wellness **motivates** me to be **healthy** and I have a lot of friends in that class."
