 Ms. Jean Incitti (Staff) congratulates the varsity Poms team with the state trophy during the Wish Week assembly. "It felt so amazing to win and it was like a dream come true. **Winning In Overtime At Legacy Stadium** "I do believe memories are tied into locations and make them better because you remember the setting and the mood there. My favorite memory at Cherokee Trail was beating Castle View in overtime at Legacy," Flint Thielen (10) said.

**Waking Up In Vail**  
 "I do think memories are tied to locations. As we live through moments and see different things, we can remember in the future. [My favorite memory in Colorado] was waking up in Vail and watching the sunrise," Evan Gibbs (10) said.
