# STEP IN & DEFEND TILL THE END

### WISH TOGETHER & SWISH TOGETHER...

Following through, Cole Lockey (9) puts the team up two points. Lockey said, "I feel a team should work together by bonding on and off the court. I think I can get a lot better for my team, but we've done great this season all together."

*"A team is when no one is selfish and everyone plays for each other. That is what leads us to our success."*

Concentrating on the play, Butler said, "We work together every day and grind to be the best. I'm proud of what we've done so far and I know that we're not done working toward our goals."

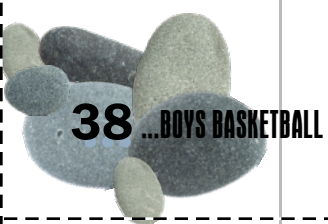

**...GAGE BUTLER (11)**

*"I think our seniors mean a lot to our program even if they don't play many minutes. They take responsibility for more than themselves, which is a true leader. We are just trying to play our best basketball every possession. We don't go game to game, just possession to possession and try to get better each time."*

**STAY AHEAD...** Putting on his game face before shooting a two pointer, Brayden Duncan (9) said, "The biggest highlight [of basketball season] was when J-Rod scored his first points. There's always room for improvement, so I'm going to try and stick with basketball through high school."

**1... COMING THROUGH** Spencer Renfro (12) said, "The bus rides are always fun, just hanging with the guys is the best. The best thing about the team is that everybody is there to make each other better."

**2... TOSS IT** Securing another two points for the team, Walker Scott (12) shoots and scores right out of the key.

**3... SKY HIGH** Increasing the lead to three points, Nic Inda (12) shoots and scores. Inda said, "We have to have each others back and always support each other. This is by far the best team I've played with. Everyone is always having fun and we're all just very goofie. The last words I would leave for the team and upcoming players is just to play your hardest, give it all you've got because it's over before you know it."

**4... GETTIN' IT DONE** Running for offense, Ethan Vannest (12) said, "Last words I would leave as a senior is don't stop till the job is done. Basketball has taught me how to be resilient and mental toughness. Whenever we took things less seriously, that's when we perform our best."

**5... LAY IT UP** Bryce Leafgren (12) leads the Reds down the court to set up offense against Platte Valley.

**6... VIBE CHECK** Derek Renfro (12) said,

"Basketball is a competitive sport with our coach. We know he wants us to do and be the best. I would want the upcoming players to be selfless and be a team player."

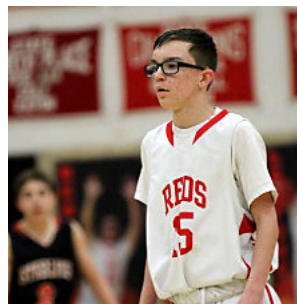

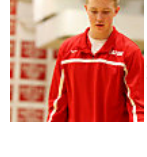

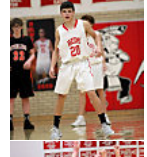

**REACH FOR THE SKY OR DON'T EVEN TRY...**

Cole Schumacher (11) said, "The biggest mind set is just to play our own game, not to beat the other team, but play to get better."

**JUMPING TO CONCLUSIONS...**

Flying high for a lay up, Scott Grable (11) takes the Reds' score up by two points. Grable said, "The biggest highlight for me personally is every time we win a game. I just try to celebrate the wins with my team."

**KEEP CALM AND PLAY BALL...**

Holding his position while the team is on defense, Drayden Stewart (9) said, "Be nice to your teammates. The biggest highlight of the season was when there was about a minute and I shot two three-pointers, that was fun. I wouldn't change anything about this season."

**EYES UP...** Dribbling the ball before passing, Cache Sanger (9) said, "We work hard together and we have a good attitude, whether we win or lose."
