

# ...december

We just got back from Thanksgiving break and all of the winter sports are starting up. The band programs and the choirs are getting ready to perform their winter concerts. The dance off is a highlight of the winter pep rally and, of course, the seniors win it. Spirit Week is Christmas themed, and everyone is so festive decked in their holiday apparel. Vista students are helping NHS by raising money and collecting food for the canned food drive. Finals are approaching, and teachers are cramming in last minute content and study sessions. Before you know it, it's Christmas break! Then, we can all take a breather. We're so ready to spend time with family and celebrate the holidays! Winter break is coming up so fast, it makes one wonder...

*"how did I not*  
**SEE THAT?"**

## ENDING WITH A SLAM DUNK

Q & A with Maliyah Carter, 11

How is your season going?  
What have people missed  
these past few games?

**"JV went on a three game winning streak, and even though Varsity is struggling we are coming together as a team. We have a rival game coming up soon which we are all excited about."**

How are you looking to end  
this season?

**"I am hoping that we have a better winning streak than last year. I am hoping to improve my stats as well as the team's stats since I am the JV captain."**
