

# *did you* **KNOW...**

that softball won PPAC for the second year in a row?  
Or that cheer won for the fourth year in a row?  
Or that our show choir is the Best in the West again?  
Or that we had a freshman quarterback and two other Vista students playing on a national football team?

**2020**, it's vision; it's hindsight; it's seeing clearly what you've missed... Now you see the ways in which students are getting involved, and how people are more than what they seem.

# *did you* **KNOW...**

that students got to examine and dissect a bear on campus?  
Or that LifeSmarts qualified for nationals for the third year in a row?  
Or that we have several foreign exchange students?  
Or that the new gym floor was designed by one of our own classmates in his Graphic Design class?  
We're going behind the scenes of the fall play, talking about the prep behind the pep rallies, and exposing our talented staff.  
Now you see it!! Now you see us!

# *now you* **SEE!**

The Show Choir performs their Arabian Nights part of their show during the 8th grade show case. **Saria Cortez, 12**, said, "My favorite part of Show Choir has been having the opportunity to be dance captain this year. That has helped me have a bond with the group all together. That bond has helped us through competitions and makes class easier to run. It's nice to have a second family to be able to see almost every day."
