

IN TUNE

Whether joining band or choir, the Alamosa High School students are extremely talented. These students become very busy around the holidays. The choir students go caroling at The Bridge and the banks. The year was full of concerts and competitions. Every year, the choir students perform in their Christmas concert, and the band students perform their winter concert. Ms. Waller and Mr. Garbrich are very talented teachers who lead exciting classes. There is never a dull moment in each class. The students are very passionate about playing instruments and singing. Honor choir is a competitive group that auditions to be one of the elite. Only the best students are accepted to join honor choir. Schools around Colorado gather together once a year to perform the songs they took the time to learn and practice on their own. Throughout the year each of the students have part checks. The students then travel to perform with other schools. Overall, the students had an amazing year. The seniors will be missed dearly, but they are all looking forward to what the new school year will bring.
