

Elsie Lester Voice Over Script
Ellia Bono

Elsie Lester is a seven year old girl with a condition called S.M.A, which affects her muscle function.

The COVID 19 virus poses a great threat to Elsie, because she cannot get respiratory viruses. The family has had to adjust their daily lives to stay safe from COVID

Despite Elsie's condition, she goes into every day with a smile, and lightens up everywhere around her.

We thank Elsie for bringing joy to everyone around her. This has been Ellia Bono, reporting for kram.
