Moving from one hold to the next, the climbing team competes in the Movement RiNo Competition. **Evan Shanks - 22** scaled the walls alongside **Nate Stober - 21** who claimed that the meet had a weird setup because it had a break during the competition. However, Nate enjoyed that it was held in a cool gym. Evan's brother, **Aiden Shanks - 21**, decided to make his last season the best it could be. He explained, "I am personally attempting to just get the most I can out of the season. Since it's my last season that I get to participate in, I want to try and make it to every comp and hopefully inspire or convince the younger climbers to not let this wacky season get to them so they continue climbing through their upcoming high school years." **Noah Aguilar - 21** felt similarly with his goal of going to the state competition on his mind.

On College Day, the yearbook staff showed off the amount of people wearing college gear during their Zero Hour class. **Sarah Nunnally - 23** and **Sofia Hiller - 23** matched with **Sophie Renner - 23** on Monday, as they also dressed up for Tacky Tourist Day. Sophie shared that the reason she participated in spirit week is because she loves "showing school spirit and being an active part of the JA community." She continued to explain that her favorite part is "seeing how creative people get when dressing up."
