“ Since third grade, I’ve wanted to play **lacrosse** for the **Air Force Academy** and I couldn’t be happier to have committed this February. There were a lot of early mornings, late nights and **struggles**, but all the extra work to set myself apart has paid off. For school, I’ll be majoring in **Military Science and Strategy**. I’m proud to be serving and giving back to the country that’s given so much to me.
