

# IF YOU'RE WONDERING

KORI VOGEL '22

"Drill is where we ride maneuvers generally at speed on our horses. On our team specifically, we put an extra focus on horsemanship and doing what is best for the horse. I love the feeling you get in your chest when performing or just when something turns out looking really nice. I've been on the drill team since 2015, and I'm the team captain of the most advanced team at the stable."

"You get trained on how to make all the ice cream and cold products at Dairy Queen through videos and hands-on making them. To make a cone, it can be a little intimidating because it takes a lot of focus. I was proud of myself that I was able to get a semi-decent looking cone on my first try."

JACE NELSON '22

"I like to watch different things on YouTube and hangout with my friends when I have free time. Both of these help me relax and take my mind off of school work or any other stress in my life."

JACKSON JEWSBURY '22

EMMA VON AH '22

"Usually I like to play volleyball because it keeps me active while I get to hang out with my friends. I also like to hang out and just watch movies."

RYAN GREEN '22

"If I get a few moments to myself, I like to play video games. I like to just get lost in them. Unfortunately, I have very little free time these days because of work, so I try to take advantage of that time when I can."
