For many, fall is their favorite time of the year, but due to quarantine we weren't able to experience what we normally get to. However, **Abigail Baker, 11**, still made sure to enjoy one of her favorite things about fall: "I like the pumpkin patch because it's a tradition that I do every year. I try to go with my family and friends and it's just a fun way to get outside and enjoy fall with the people closest to me."
