

ON SEPTEMBER 18, 2020, RUTH BADER GINSBURG (RBG) DIED AT THE AGE OF 87. Ginsberg served 27 years on the Supreme Court. During her years of service, Ginsberg fought for women's rights including the SBD (Sex Based Discrimination Act). RBG was a beloved member of the Supreme Court and will be remembered for her service. *photo by o. douliery, courtesy of Tribune News Service*

PROTESTS ERUPT IN POLAND AFTER ABORTION BAN. As of October 22, 2020, the Women's Strike began. Women and allies protested for days against the ban. *photo by o. marques, courtesy of Tribune News Service*

ON OCTOBER 31, 2020, THE FIRST BLUE MOON IN THREE YEARS OCCURRED, lighting up the streets on Halloween. The rare blue moon occurs when there are two full moons in a single calendar month. *photo courtesy of wikipedia commons*

HURRICANE TEDDY HIT THE EAST COAST OF THE US, NOVA SCOTIA AND BERMUDA IN LATE SEPTEMBER. Up to 65 miles per hour, the winds caused heavy rain in Nova Scotia. By its end, three were dead and millions of dollars were needed for repair.

SEPTEMBER

OCTOBER

ELECTED STUDENT COUNCIL PRESIDENT, Isabella Brandberg, 08, has been an active member of student government for the duration of her middle school years. Despite COVID-19 restrictions mandating that all Student Council meetings be held virtually via Google Meets, Brandberg was ecstatic to be president. "Student Council has been a really great experience and I am honored to be its president," Brandberg said. *photo courtesy of i. brandberg*

ON OCTOBER 2, 2020, PRESIDENT TRUMP ANNOUNCED HE TESTED POSITIVE FOR COVID-19. After both President Trump and First Lady Melania tested positive, Trump spent several days at Walter Reed National Military Medical Center. President Trump continued his recovery at the White House and both the president and first lady recovered.

ON TUESDAY FEBRUARY 2ND, 2021, the beloved groundhog Phil left the burrow and saw his shadow, an indication that there would be six more weeks of winter. As the global pandemic continued, Groundhog's Day festivities were viewed virtual. *photo by margo reed, courtesy of Tribune News Service*

FOR THE SECOND TIME IN 13 MONTHS, the Senate voted to acquit former President Trump after the House voted for Articles of Impeachment. The two-thirds vote required for conviction fell short with a 57-43 margin.

SNOW DAY! On February 25, 2021, Littleton Public Schools announced a snow day. Littleton received 15.2 inches of snow over night. Students and staff took advantage of the rare day off and spent it with friends and family. "When I hang out with my two older brothers, it's always fun because we usually go down the hills with the bumps," Avery Lockard, 07, said. *photo courtesy of a. lockard*

FEBRUARY

MARCH

DURING MID FEBRUARY, THE UNITED STATES EXPERIENCED FREEZING TEMPERATURES, likely caused by a polar vortex. A polar vortex occurs when high winds from the North Pole travel down, creating freezing temperatures. Texas experienced temperatures below freezing causing power to go out, roads to close and pipes to freeze. Texans banded together to assist their neighbors. A state of emergency was declared.

THE 2021 SUPER BOWL BETWEEN THE KANSAS CITY CHIEFS AND THE TAMPA BAY BUCCANEERS occurred in Tampa Bay, Florida. The Buccaneers came off the field with a victory of 31-9. Tom Brady was awarded the MVP after the win. The Weeknd performed at halftime and sang "Blinded by the Lights" and other popular songs. *photo by ivy ceballo/Times, courtesy of Tribune News Service*

AS OF MARCH 16, 2021, middle schools and high schools in Littleton Public Schools returned to full in-person learning for the first time since Colorado's initial lockdown in March of 2020 halted in-person learning in schools. "I think you'll get a lot more teacher help and get to be in class more often, which will help with academics," Carsen Rector, 08, said. *photo by k. meyers*
