1. A BUDDING GUITARIST, Delaney Jacob, 08, practices in Mr. David Eilert's Guitar class. Jacob has played guitar for the past three years. "Playing guitar is a calming activity, which I really enjoy," Jacob said. photo by a. geddes Kathryn Copp, 08, completes an escape room on the three studies. "I BELIEVE that the challenge of the escape room game will further my education," Copp said. photo by d. jacob 3. IN COLLABORATION, Kenley Yaworski, Quinn Marlin and Lily Morgan, 06, dissect a squid in Mrs. Kendy Blake's science class. For most students, the labs were the best part of science. "I really liked all of the labs. The grossest part of the squid dissection was the first cut of it when you had to cut all the way across the body," Yaworski said. photo by k. mcgarvey
