Hold On To That Feeling...

...despite the many obstacles that this year has given us. Erie High School was determined to make it the best year it can be. This year is like no other year, as a team we hold on to the feeling that this year is going to be great. Friends and family stick together because that is what a Tiger family does. Spreading fun and joy, Tiger nation is growing proud and strong. We held onto the feeling that this year would be the best and took any chance we got to bring joy and positivity to this year. As a Tiger Nation, we grow and we learn, keeping that feeling of pride because we are a tiger family, we stick together and "Don't Stop Believin'!"
