Step Up to the Plate

"Upsetting Fossil Ridge was definitely my highlight of the year. It was right before the playoffs, but it was a game that we wanted to win the most to redeem ourselves. We have a pretty big competition with their team because we play a lot of those girls in summer ball. It proved to us that we truly were a great team because we couldn't have done it without one another."

- Kenzi Garner

I am most thankful for the bond we were able to create. We knew exactly how every other girl would react to any situation and we knew that we would always be there to pick each other up. There wasn't drama between us and we worked cohesively to accomplish our goals. I'm so thankful for the family I have gained the last three years, as well as the incredible leadership from the seniors this year that allowed us to truly come together.

My favorite part of the season was probably the bus rides, we didn't get a lot of them but they were so fun. We had a big speaker and would jam out to music the whole team getting hyped for our game. I'm definitely going to miss that especially with all the seniors from this year.

"Overall, we had a great season, but I know every single one of us wished we could've played those last two games. I am going to miss everyone I've ever played with my high school career, and all the fun we had as a team are the memories I'm going to hold on to forever. I am most thankful for my coaches who have given me the opportunity to be where I am today."

The most memorable part of the year was our team sleep overs. We would have an amazing breakfast in the morning! Having these sleep overs brought us closer as a team. I am thankful for having such a great group of girls who I consider family.

I wouldn't want to spend my past two high school seasons with any other girls. We all work so hard and have so much love for the game. Our senior class this year was outstanding. I looked up to all of them and I know they are all going to do great things next year. I was so blessed to be part of such a great family.
