DYNAMIC DUO

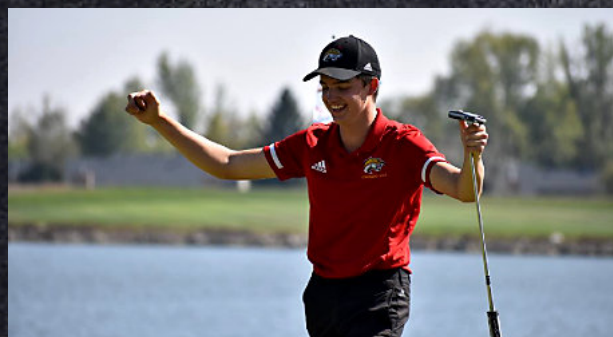

Andrew Merz, Sr., and Noah Keller, Jr., have played golf together for the past 13 years. Noah remembers when Andrew made his first birdie at Cherokee Ridge and how they jumped up and down (although Noah was a little jealous). From making their first birdies with each other to going to state 3 years in a row together, they have always been there to encourage and push each other while enjoying the game.

STATE

Noah Keller, Jr., had his third year at state and finished 11th this season. He proved himself as one of the best golfers in the state by earning 2020 4A second team all-state. "I look forward to putting in the work and settling for nothing but winning state next year," says Noah.

Andrew Merz, Sr., walks off the 18th hole at state after paring his last hole in his high school career. Andrew has gone to state since he was a sophomore, and finished 36th at state this year.

THE TEAM

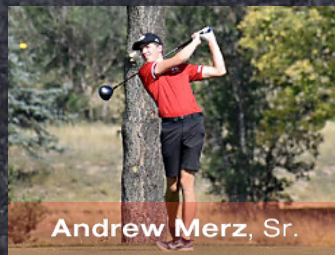

Coach Rienks, Sam Neilson, Parker Shirola, Alexander Cintron, Noah Keller, Andrew Merz, Casey Green, LB MacKelvey, and Coach Semakula.

On the left, **Noah Keller, Jr.**, swings away at regionals. Noah won a lot of tournaments and was in contention in every tournament this season. **Parker Shirola, Fr.**, right, was the only freshman on varsity, and improved greatly over the season. He brought his sense of humor and livened up the team.

Our Cougars Boys Golf team had a triumphant season and won their league along with multiple tournaments for the first time in years. All 4 varsity players received academic all-state. In addition **Andrew Merz, Sr.**, and **Noah Keller, Jr.**, received 5A CSML All League First Team and both went to state. Next year the team will not have **Andrew Merz, Sr.**, who has been a big asset to the team for the past 4 years. **Noah Keller, Jr.**, says that the team "will have a less experienced group which will give some players their chance at the varsity level."
