

"I'm proud of the young guys who had to step up and play a lot of minutes with injuries. I'm proud of the effort we put forth even when things didn't go our way. I think it was a great experience being a leader and I hope I left the program with some lessons and encouragement for the future."

Though this season might not have **FAST BREAK** been exactly what the boys were hoping for, they did their best to make the most out of what they were given. Senior captain, **Kevin McMahon**, said, "I'm proud to be a part of the first team to have won the Gryphon Trophy back to back." This was a huge win against Holy Family at the beginning of their season. McMahon also mentioned that the thing he would miss most about high school basketball is celebrating with his team on the bus home.

Tristan Caudill, 11

"I'm going to miss how close we were this year. The seniors always brought everyone together and made the team feel like a family."
