

Quotes of support from AHS students and staff

"I support the LGBTQIA+ community because they are people and they have their own choices. They should remain unjudged"

"I support the LGBTQIA+ community because no one should be discriminated against based on who they love or identify as"

"I support the LGBTQIA+ community because it shouldn't matter how someone identifies or who they are attracted to. Everyone has a right to feel supported and comfortable in their own skin"

"I support the LGBTQIA+ community because everyone deserves human rights and to be treated respectfully"

"Who you love and who you define as does not define you as less than, nor does it define you as a minority in the community"

"I proudly support the LGBTQIA+ community because there should be no discrimination against how someone identifies themselves or who they love"

"I support the LGBTQIA+ community, and I believe everyone deserves to feel safe"

"I support the LGBTQIA+ community because they are a concrete normalcy in my life, and I want them to be treated that way in school settings"

"I support the LGBTQIA+ community because discrimination and haters have no right. Like who ya want!"

"I support the LGBTQIA+ community because everyone is equal regardless of who they love"

"I support the LGBTQIA+ community because no one should be discriminate against or hated on for who they are, and everyone deserves to feel accepted"

"I support the LGBTQIA+ community because the world is better with you in it!"
