KA-CHOW//

RESTORED RIDE// Camden McMahan (12) drives a 1973 Ford Bronco. "I've had it for about 3 or 4 years. I've been restoring it since I bought it. It's still not done, but it has been my favorite high school project since before I could drive," said McMahan.

Drayden Stewart (11)

BUILT FROM BOTTOM UP//

Evan Paulsen (11) built his 1967 Mercury Cougar with his dad. "My dad wanted me to have the same experience that he had growing up and building a car with his father," said Paulsen.

COLLECTIBLES//

What are your collectibles?

GLISTENING SNOW GLOBES//

"My dad is an auctioneer and travels about every week. He always brought my siblings and I something from wherever he was. He brought me a light up snowglobe and from then on I decided to collect them. My favorite is my big New York snow globe because it has a soundbox that plays 'New York New York.' " -Shelby Shuman (11)

FUTURE ROCKSTAR//

"I started collecting guitars because all of them have a different sound and feel when playing. My favorite guitar is my Epiphone SG [far right] because it's the first one I bought."

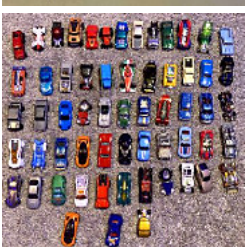

-Dylan Queen (10)

MATCH BOX MADNESS//

"I started collecting them because we went to the store and I wanted one; so, I asked my mom and she said yes. From then on, I started collecting them. My favorite one is my gray R34 GT-R because it's from *Fast and Furious*."

-Brayden Rinebarger (9)

PAWSOME FRIENDS//

A shelter animal is an animal coming from an animal shelter or rescue, typically coming from a lost, abandoned or surrendered situation. Many Eaton students and teachers have taken these animals under their wing to give them a better life.

1. BUBBA// Grace Hill (10) adopted her German Shepherd named Bubba when she was 11 years old. Hill said, "I used to volunteer at the Weld County Humane Society with my mom when I was little. We impulsively adopted Bubba because we knew he would fit into our family."

2. PETE THE CAT// Alyssa Koeltzow (10) adopted her cat Pete in the summer of 2020 during quarantine. Koeltzow said, "I got him because we went to the shelter in boredom and he was shy, but he came up to me and fell asleep, so then we got him."

3. LILY// Kaitlyn Gomez (10) rescued her leopard gecko, Lily, three years ago. Gomez said, "I rescued Lily from someone in Greeley cause they didn't want her anymore. I got her because I love reptiles and I think they are amazing and sweet."

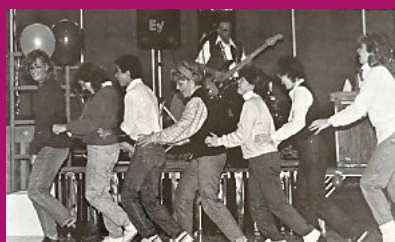

4. KYLO AND HARROLD// Kennedy Scudder (10) has two rescues, Kylo and Harrold. "We got Kylo [left] in 2016 from the Weld County Humane Society and we got Harrold [right] from a dog rescue in Thornton this year. We got Kylo cause of a call at my dad's work, and we got Harrold this year because Kylo needed a friend," said Scudder.

5. CALVIN// Molly Maguire adopted her dog Calvin in 2019. "We got Calvin from a rescue based in Boulder. Our previous dog had passed away a couple of years earlier and my husband missed having dog, so he talked Norah and I into it. Now, Norah and I are both obsessed with him," said Maguire.

REDS READS//

Students rate their favorite books

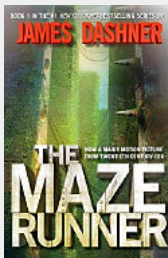

"I like this book because it is an attention-grabbing, relatable, thrilling mystery!" -**TATIANA BERTRAM// (10)**

"Astonishing and perfect mysterious chaos. It put a spin on the traditional mystery drama novel. It spoke on real things that are struggled with, but kept me utterly entertained." -**ABIGAIL SCHREINER// (12)**

"The Great Gatsby is a book full of twists and turns that leaves you wanting more. This is my favorite book because it shows a love story that didn't end happily ever after like most love stories do. It also challenges you to think outside the box to fully understand the book." -**HALEY J EGLUM// (12)**

"An attention stealing thriller. I enjoy the book due to the character depth as well as the plot. The whole series never made me bored reading it." -**KASEN HAYS// (12)**

"A thrilling adventure with many twists. It never stays in one spot too much or drags out a scene or event for too long. It has a bunch of unforeseen plot twists that are thrown at the characters, leaving them scrambling to find solutions and survive through the perils of the maze." -**JOHN DAVIS// (10)**

"'They Both Die In The End' is a hopeful heart-wrenching tragic love filled story. I would say it's my favorite book because of the title. It starts off very hopeful, and you think that maybe they both could make it out together; but, the title is true, and it's the saddest thing because you get so attached to the characters and their relationship together." -**AUTUMN HOCKLEY// (11)**

"Eye-opening, Adventurous, Memorable, Fun, Emotional. I really like this book because it gave me a new perspective on everything." -**TEAGAN HUMPHRIES// (11)**

"My favorite book is 'The Hunger Games' because the characters are so entertaining." -**MICHELLE VALLEJOS (10)**

"Morally-conflicting action. It has you questioning what you would do in that situation, whether it's technically morally correct or not, you still have to survive. It just has you on the edge of your seat the whole time because it's so unpredictable." -**SCARLETT WRAY (12)**

OUR LIFESTYLE

What makes an Eaton Red different?

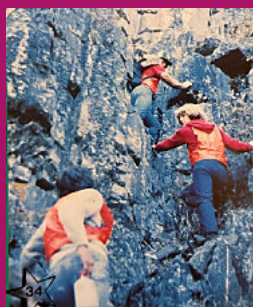

Amongst all the same classes we all take, everyone finds happiness through something different. Whether it's through a good book, their favorite cookies, making memories with their animals, collecting items, or restoring cars.
