

# HEY, nice FIT

Fashion is a good way for us to express ourselves in many different ways. Whether someone chooses to wear a jersey over a hoodie, pajama pants with a sweatshirt, sweats, a skirt, or jeans and a t-shirt, this is what some of our fashion choices looked like this year.

## LOOK at those SWEET kicks

Yes, the shirt, the pants, the socks, and the jewelry are important, but the shoes determine if your outfit is good or not. The shoes wrap it up. They are the piece of everyone's outfit that nobody can miss. Shoes are always the first thing people notice. Here are the most popular shoes we wore this year.
