## PARTIES AND CEREMONIES CELEBRATE STUDENTS' SUCCESSES

As kids waited outside for the All School Party to start, they were excited to dance, eat desserts, and hang out with their classmates.

The All School Party was in March but was not Euclid's only celebration. During the year, Euclid had many parties and ceremonies to celebrate students and to give them a chance to spend time with friends. These celebrations include the Honor Roll ceremony, Falcon Feather distribution, grade-level parties, and Be Real giveaways.

"I had fun at the 7th grade party. It was really important because you bonded with kids you may be with until you graduate," said Anna Kemp, 07.

While some gatherings are parties, Euclid celebrates with other events too.

"I like Falcon Feathers, they show you what skills are valuable in life," Noah Huffman, 06, said.
