-SAMUEL BURGE, 07

"It was a good experience. It was really enjoyable and I got to play with my friends which made it 10 times better. My favorite part was the enrichment volleyball game in front of the school. Even though volleyball is considered a girl sport, I want to show that boys can play it too."

-TANNER RHODES, 07

"I love it because you can do whatever you want instead of doing what is assigned. You can also talk with friends and it is just an amazing club!"
