Alamosa Seniors talk about their favorite part as an Alamosa High School Softball Player

"My favorite part of softball throughout high school has been the memories I have made; yeah the games and stuff are fun, but the memories are what kept me playing"
Eliana Heredia

"As an Alamosa Softball player for the last 4 years, my favorite part has been the constant opportunity to grow. Starting with a first year varsity team my freshman year, there has been nothing but growth."
Seanna Mackey

"Playing softball for the past 4 years has been amazing due to the girls on the team. We built bonds and friendships that kept us going. We kept each other up and fought through every practice and game side by side."
