

RUN the BALL

Starting the season off with a loss, we ended the season with a spot in the playoffs. Even with a rough start for all three teams, A B and C, we were able to close the season with a strong finish. Great job!

"I had a very fun time playing and making new friends and had a great coach."
-ALICE SANTOS, 08

"In flag football I think my favorite part was how close we all were, and even though we weren't a very good team we still had fun."
-REAGAN LODDEN, 08

"I like that there is team work."
-JOSH
-JOSHUA LUCHS, 07

"I liked playing with my friends."
-JOHN MCCLEAN, 08

"I liked hanging out with my friends."
-TIM KRAMER, 08

"My favorite part was playing football and boys and girls can do it."
-ADDISON EMMELKAMP, 08

"I like competing against schools and it was really fun and I got to play 3 of my favorite positions, wide receiver, running back, and blitzer."
-DELILAH HOUGHTON, 08

LOOK at that CATCH!

Every receiver knows that moment when you realize the quarterback has thrown the ball in your direction, and the amazing catches that took place after, what were your thoughts as you caught the ball.

"When you catch a ball its that adrenaline and that rush to sprint as fast as you can down that field."

BRODEN TATARA, 07

"It feels so good when you catch a ball because they you moved the chains."

CLEMENT CUNNINGHAM, 07

"My favorite part was when there was a long pass and I caught it for a touchdown."

KYLE ZEBROSKI, 08

"Its kinda like a rush when the football hits your gloves it puts you in a different state of mind from a receiver to a runner."

TANNER RHODES, 07

DID YOU KNOW?

If you could only play one sport for the rest of your life what would it be and why?
"Surfing because I love it and Behtany Hamilton is like my favorite athlete ever and she is just a great role model and surfer."
ABIGAIL NEITO, 07

"Probably tennis. Lots of people all ages play tennis because its a game of skill and technique and you don't have to be super fast or strong to be a good player."
ADALINE LAWSON, 08

"I would snowboard for the rest of my life because I feel like going outside has a deeper connection to me than being inside."
MICHAEL PORTER, 07

"Probably basketball because there is so much you can learn and get good at. And play several positions in one game."
NATHAN MARLEY, 08

"Cheerleading because it allows me to make friends and build responsibility as well as strength physical and mental."
BRAELYN RAILSBACK, 08

"I would play volleyball. I have had such great teams and had an amazing team this year at school! I love to play and cant live without it."
ELIZABETH GEHERIN, 08

"I would play lacross because I enjoy the thrill of the game and the spirit that goes with it. It also never gets old because something new is always happening."
ELLA HIGGINS, 07
