The Best Time Of day

On Dec. 3, Tianna Smith, Kiefer DeStefano, Tatem Gobble and Mr. Tuke shared their opinions about their 8th period class.

Tianna Smith, 08, is in Around the World. "There are a lot of fun things that happen in this class that don't happen in any other class. It's different because you usually learn about things that you usually wouldn't in other classes."

Kiefer DeStefano, 06, said his favorite time of day is Mr. Richardson's Core Plus class. "We have a lot of jokes in this class that make it lively" he said. Mr. Richardson has taught his class that working hard pays off because then there is more time to have fun.

IT WAS TOTALLY UNEXPECTED

Tatem Gobble, 07, is in Mrs. Alexander's orchestra class. Tatem likes orchestra because they don't have to worry about it like their other classes. "I don't need to stress about it, unlike my other classes, because it's easy and I can just have fun with it," she said.

Mr. Tuke enjoys his 8th period math class because they're humorous, fun, and they always have an interesting way of getting to work. He said, "They're different because it's the end of the day and they have already gone through seven periods and they still have the ability to still learn math." He enjoys this class because they bring so much excitement and energy to the classroom.

"I seem introverted at first but once you get to know be I'm very energized."
OLIVER ROUSH, 07

"I like collecting things."
PIERCE STEPHENSON, 06

"I have way to many Legos."
PEYTON CARTER, 06
