TWINNING IT//
On many occasions Mr. Love and Mr. Lemon could be seen in the hallways sporting "matching" outfits. One begs to wonder...were these outfits coordinated the night before??

WHAT A TEACHER NEEDS//

The education of a college president,
The executive ability of a financier,
The humility of an optimist,
The courage of a hero,
The wisdom of a serpent,
The gentleness of a dove,
The patience of Job,
The grace of God, and
The persistence of the Devil.

-Dedication to the teachers from the
1969 Eatonian Yearbook Staff

"Tik Tok baffles me. I was watching some videos and they suck you in. It's like some sort of weird drug."

-DEIRDRE WHITE//

"Cane's Chicken. I've had some good chicken, but I can tell you I'm not going to sit in a traffic jam."

-DEREK WEIGLE//

"The devious lick thing, like why would you make somebody pay more money for a silly soap dispenser."

-AMY IRWIN//

"90's era clothing because it doesn't look good. The 90's should have died in the 90's."

LUCKY PENNY//

When something is deemed lucky, people hold on to that thing. For attendance secretary Kim Carey, that lucky thing was a penny. When Carey was 16 she had to move from a small town in Texas to Greeley, Colorado. One day at her new school she found a penny outside of her car and stuck the penny in the pocket of her letterman's jacket. This penny stayed in the pocket of her jacket ever since that day. She was able to handle the adjustment of moving well, and she credits that to the luck of the penny. Carey said, "Wearing that letter jacket and that penny was probably what got me through that adjustment honestly because it was hard." Luck is debatable for some people but for Carey, she believes the luck of her penny is real.
