# FIRST DAY

1

Freshmen first day is a way for our new freshmen to get a feel of the school and it gives them an idea of what to expect. There are games and tours led by our own VRHS wolves, often from Student Council, NHS, and JROTC. *Mallory Lewis, 9*, said, "We had the pictures before we went outside, we went outside to play a game and then we got kind of sweaty, and had pictures right afterwards." *Elliot Scott, 9*, when he said "I wish I would have paid more attention to where everything is, I was just talking with my friends because I was excited." *Juliet Olson, 9*, "I wish I would've spent more time getting to know my peers, I was shy during the first day so I kept to myself." This is a great way for the new Freshmen to get rid of their first day jitters and easing them into their new experiences.

2. *Jacob Jackson, 9*, says, "The best thing about my first day was the outside activities we did."

2. *Brandon Blackburn, 9*, and *Carson Tapia, 9*, are sitting and waiting while playing duck duck goose. Brandon says "My favorite part of freshman first day was lunch."

## I LIKE TO MOVE IT

*Sebastian Nava, 9*, "My favorite part was getting to see all of my old and new friends."

*Clair Wood, 9*, "The best thing about my first day was all the field games we did outside, I really enjoyed that and meeting the teachers was fun."

*Brooklyn Williamson, 9*, "My favorite part would be when we were in the Auditorium and Ms. Sousa did a cartwheel and the principle was talking to us, he was really funny."
